Ref: Invitation to LIMEP 2019

ORGANISATION OF LIMEP 2019, 3rd Liberian Mining, Energy & Petroleum Conference & Exhibition, 15 – 16 May 2019, Monrovia, Republic of Liberia

Dear Sir/Madam

I extend my compliments to you and am pleased to announce that the Government of Liberia through the Ministry of Mines and Energy, in collaboration with AME Trade Ltd., will host the 3rd Liberian Mining, Energy & Petroleum Conference & Exhibition, which will take place from 15 – 16th May 2019 in Monrovia, Republic of Liberia.

The main theme of the event is “Investing in Liberia’s mineral and energy resources to stimulate national economic development”

LIMEP 2019 is world class event focusing on Liberia’s mining, petroleum and energy potential. The event will feature two days of intensive conference sessions, round table discussions, a trade exhibition as well as mine site visits; and will be attended by the full spectrum of partners involved in Liberia’s mining & energy industries, including both the public and private sectors, as well as development partners and Multilateral Organizations.

I would therefore like to invite your organization to attend and support this event as a sponsor or exhibitor. For further information about participating at this important event, please do not hesitate to contact our strategic partners, AME Trade Ltd., **Dan Coberman Email: dancoberman@ametrade.org**

Further information can also be found on the event website www.ametrade.org/limep

In the meantime I look forward to meeting you personally in Monrovia and please be assured of my highest regards.

Yours Sincerely

Gesler E. Murray
MINISTER
